*****STORMER STORMS THROUGH FIELD AT WOODFIELD*****

Sixty year old Don Stormer lived up to his name as he bowled up a storm this weekend at Woodfield Lanes. Don led the qualifying rounds with an outstanding 926 handicap total then qualified for the second spot in our stepladder finals with a 686 total. It looked as though the storm might finally be over when Don missed a six pin in the 9th frame of his first match but his opponent, John Hoffman Jr., returned the favor by missing the six pin the the 10th and Don moved on by a single pin, 172-171. Don's opponent for the title match was Barry Manzella who had created quite a whirlwind of his own by posting a tremendous 724 handicap series in the semis to claim the top spot for the finals. Barry ran into split trouble in the 2nd, 4th, and 5th frames which allowed Don to take a 30 pin lead halfway through the match. Barry made some adjustments and closed with a rush in the last few frames but it wasn't enough as Don stayed clean and took home the \$800 first prize by a final count of 199-176.

Don Stormer is a retired pipefitter from Davenport, Iowa. He and his wife, Sondra, have five grown children, Brian, Derek, Darcy, Jill, and Ann. Don has been back in bowling for about ten years after a very long lay off from the game. He currently bowls at Plaza North in Davenport and has a high game of 299 and a 689 series to his credit. Don was using an AMF Sumo which was drilled by Jim Abbas at 30 Lanes In Davenport. Don credits Bob Neff with helping him to improve his game. He thanked his daughter Jill for getting him to start bowling again. Don also thanked the ABT and all the bowlers for their support. He plans on using his winnings for our July Nationals in Las Vegas and for a present for his daughter who just graduated from college. Don says that the ABT is really fun to bowl in. No matter where he goes in the ABT he always meets so many nice people. Don also said that this was his first time on synthetic lanes and he really loved how consistent the conditions were.

CONGRATULATIONS DON!!!

Tournament Notes: Don Stormer is a lifetime member of the ABT. He originally joined our Quad Cities Division in 1985. Unfortunately, a severe economic downturn in that area forced the Quad Cities Division to shut down. According to Don, now that Chicagoland is open we can expect more members from the Quad Cities area because the ABT is well worth the 3 HOUR drive. Thanks, Don. I needed that!
