*******DALKE WINS AT WOODFIELD*******

Dave Dalke defeated top seed Roger Opletal 175-162 at Woodfield Lanes to capture his second ABT title and the \$900.00 first place check to go with it. Roger was red hot in the semi-finals as he posted a 714 handicap series to earn the top spot in the stepladder finals. It looked like Roger would stay hot as he struck in 3 of the first 4 frames while Dave ran into split trouble in the first and fourth frames to quickly fall behind by 30 pins. Then it was Roger's turn to run into trouble as he left a 4-6 split in the fifth then missed a 10 pin in the sixth. Dave answered with spare-strike and the lead was down to nine. The next two frames were an even exchange but when Roger left the "Greek Church" in the ninth he opened the door and Dave came charging through for the victory and his second title.

CHAMPIONS PROFILE:

Dave Dalke is a 25 year old graduate student at Northwestern. He is single and has been bowling since the age of 5. He currently bowls league at Mages. Dave has a 279 game and a 702 series as his personal bests. He was using a Purple Rhino Pro that was drilled by Paul Marcinek at Specialized Pro Shop. Dave said that his dad, Jim Dalke, and Rich Gucwa have helped him to develop his game. He thanked God, his parents, Bonnie and Jim, and the group he bowls with each week for all their support. He also thanked the ABT, Woodfield Lanes, and all the spectators. Dave also has a keen interest in music and plans to purchase a synthesizer with his winnings. Dave's first win came back in January but this one, he said, was special and he dedicated it to his dad. Dave said that the ABT runs a fantastic show and it's always a pleasure to come out and meet the nicest bowlers around.

Congratulations Dave!!!

Tournament Notes: We nearly had a very unfortunate incident this week. One of our top qualifiers listed his own ball numbers on his recap sheet (that's a no-no) from a list which he kept in his wallet (that's a bigger no-no). Unfortunately, one of the balls that he listed wasn't even in his possession when he bowled on Saturday so naturally he did not have it with him when he checked in for the semi-finals. Fortunately for him he checked in early enough that he had time to retrieve the ball before the semis began saving him from disqualification. Bowlers, please take the time to read your rule books and listen to the announcement before each squad. Noone is to list their own ball numbers on the recap sheet.

Tournament Notes II: Special thanks this week to our National Spokesperson, **Carmen Salvino**, who stopped by to visit for a couple of hours on Saturday afternoon. It's always a privilege and a pleasure to have Carmen at our events offering his experience, expertise, and encouragement to ABT members. We are indeed fortunate and proud to have him as our National Spokesperson. Thanks again Carmen!
